Thank you for choosing BALLET ARTS OF BUCKS COUNTY for your dance education and training! Dancers carry a tradition of discipline, respect, manners, and grace at ALL ages. Please thoroughly read the studio policies and expectations of Ballet Arts students and parents below. Thank you for your attention to these policies.

Sincerely,

Kathleen Dwyer, Artistic Director and the staff at Ballet Arts of Bucks County

STUDIO POLICIES FOR STUDENTS

- Gum, food and drink (other than water) are not permitted in class.
- Talking in class is not allowed. Please raise your hand when there is a question for the teacher. Wait quietly for instruction from the teacher and while others are dancing.
- · Hanging on barres and touching the mirrors is not permitted.
- Please allow for time to use the restroom before class. Restrooms are located on the first floor of the building. If you need the restroom during class there is one located in the back of the studios. Restroom requests during class are a distraction to both the student and other classmates.
- · Show respect for fellow dancers. Keep your hands to yourself.
- Be respectful if you are a little late for class. Wait for the end of an exercise, quietly enter, and apologize to the instructor. If you know ahead of time that you will need to leave a little early, please notify the instructor prior to class starting. Before leaving, politely let the instructor know before dismissing yourself quietly.
- Corrections from teachers are important for development and proper training. Getting corrections from our dance instructors is how we grow. It is not a criticism but a desire for improvement and growth from teacher to student. Quietly observing other students in class is another great way to learn. The study of dance necessitates physical contact between the instructor and student and sometimes between students. "Hands on" adjustment of a student's body to correct alignment and technique is standard in dance instruction.

STUDIO POLICIES FOR PARENTS

- Parents and guardians are responsible for students' and siblings' behavior and safety before and after class. Young children may not be left unattended in the studio lobby or building. Please respect the other businesses in the building when in the common areas i.e. first floor bathrooms and access to the elevator/stairs.
- Students should attend class on time, arriving a few minutes early to prepare- change shoes and clothes, warm up, use restroom (Restrooms are available on first floor/main entrance of the building for dancers before class and for parents and guests. During class there is a restroom in the back of the studio for dancers and staff only.) Arriving after class begins is a distraction to students. It is not physically safe to attend class mid-way through and not properly warmed up. Participation after arriving late to class is to the discretion of the individual instructor. If the student is more than 15 minutes late and not permitted to take the class, it will be considered an absence and will need to take a makeup class.
- Parents/Guardians should notify the studio prior to any absence.
- Please accompany your child to the BABC studio lobby, and meet them in the BABC studio lobby promptly after class. If you are running late or in an
 emergency situation, please call the office (215) 896 3138. Sometimes running late picking up your child is unavoidable, however, please do not let this
 become frequent. If you drop off your child outside the building or arrange for your child to wait for you outside the building, you assume full responsibility
 for their safety. BABC is not responsible for the well-being of any student who leaves the studio premise.
- Parents waiting in the lobby during class should avoid distractions to the teacher and students.
- Since young children often need to use the bathroom or need a parent at a moment's notice, parents or guardians of children 5 and under should remain in the hallway/lobby for classes 45 minutes or shorter in length.
- Please keep parent teacher conversations and greetings in the lobby between classes short. Longer questions should be addressed in email or by phone.
